PETITIONER's C'OMMENTS

Please accept these comments as restated below from Proponents original petition.

DISCUSSION

Leedey, Oklahoma is an incorporated community of over 500 people. Petitioner respectfully submits that the public interest would be served by allocating Channel 297A to Leedey, Oklahoma, as that community's first aural broadcast transmission service. Leedey has its own mayor, Warren Patton, its own post office, its own tire department, its own school district, its own city hall and a number of local churches. The proposed channel 297A will provide additional diversity and an outlet for local self-expression to Leedey residents and therefore is in the public interest.

The factual information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,
